

giroflex 18

giroflex
designed to work

giroflex 18

The giroflex 18 unites dynamics and comfort in a unique way. Its unmistakable design will create a visual occasion in any room.

The swept form of the giroflex 18 combines dynamism with elegance, providing an inspiring atmosphere in waiting zones and offices as well as conference rooms and museums. This chair sets the visual tone with its characteristic design by Mart Hürlimann and Francesco Catarci. Its ingenious and unique technology offers outstanding comfort. And with its varied choice of options, it can blend in very easily with any environment.

Moving moments. The unique four-legged construction with its yielding integrated relax technology supports active sitting and relaxed posture. The giroflex 18 is available as an upholstered or mesh variant, with or without armrests, in fabric or leather in polished aluminium or epoxy-coated. Additionally, they can be stacked four high to save space.
