Technische gegevens

A Wardrobe structure consists of:

- individual wardrobe elements with bottom and top shelves as well as backpanels
- outside walls and middle walls
- cloaking sides (optional)

The total width is the sum of all individual components.

Un corp d'armoire est composé de:

- éléments d'armoire individuelles avec étagères inférieures et supérieures ainsi que fonds
- côtés extérieurs et montants intermédiaires
- côtés de doublage

La largeur totale est le résultat de l'addition des éléments individuels.

Ein Schrankkorpus besteht aus:

- **einzelnen Schrankelementen mit Unter- und Oberböden sowie Rückwänden**
- **Außen- und Mittelwänden**
- **Aufdoppelungsseiten (optional)**

Die Gesamtbreite erhält man durch die Addition der gewünschten Einzelteile.

Een kastromp bestaat uit:

- individueele kastelementen met onder- en bovenplanken evenals achterwanden
- buitenzijden en middenzijden
- opgedikte zijden

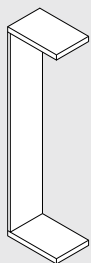

De totale breedte resulteert uit het optellen van de individueele samenstelling.
