

Marenco
Mario Marenco, 2007

Basamento in multistrato accoppiato con fibra e rivestito. Schienali e braccioli: struttura portante interna in tubolare metallico verniciato. Ogni elemento (schienale, sedile, bracciolo) è imbottito e rivestito singolarmente. Imbottitura in poliuretano espanso indeformabile a densità differenziate e fodera in fibra. Totalmente sfoderabile, ad eccezione della versione in pelle. Piedini in metallo.

Base in multi plywood with fibre cover. Backrests and armrests: main structure in painted tubular metal. Each element (back, seat, arm) is padded and covered singularly. Padding in stress-resistant differentiated density polyurethane foam and fibre cover. Fully removable covers, except for leather version. Metal feet.

divano con 2 braccioli
sofa with 2 armrests
