

Serie NELSON composta da poltrona, divani con braccioli , divani per composizioni angolari di diverse misure, curve di varie raggiature e tavolini. Struttura portante in multistrati e bordi in massello completamente rivestiti in cuoio nei colori della collezione Rossi di Albizzate. Cuscini sfoderabili fissati alla struttura mediante cerniere con speciale imbottitura a molle di acciaio inserite in schiume poliuretatiche a quote differenziate. Sostegni in fusione di bronzo trattato. Rivestimento nei tessuti e pelli della collezione Rossi di Albizzate.

The NELSON range is composed of armchair, sofas with arms and modular elements to form compositions, round elements e tables. Frame in plywood and edges in solid wood completely covered with saddle leather available in the Rossi di Albizzate colour collection. Cushions with removable covers fastened to the frame by zippers, special padding in polyurethane foams with different densities and steel springs. Feet in bronze casting. Covering in the Rossi di Albizzate fabric and leather collection.
