

Serie componibile ZARCO affiancabile ed agganciabile, con speciale sistema, per formare divani e angolari di diversa lunghezza. Imbottitura in schiuma poliuretanic e cinghie elastiche. Cuscini con anima in Rofoam morbido a stampo e Dacron 2 trapuntato, fissati alla struttura con cerniere lampo sganciabili. Rivestimento completamente sfilabile e sostituibile, con chiusure Velcro. E' previsto a richiesta il rivestimento completo supplementare. Per calcolare il prezzo nei vari abbinamenti di tessuti o pelli: cuscinateure 60% - struttura 40%.

ZARCO modular seat elements that can be joined by a special hooking system for sofas and corner seat groupings of different lenghts. Padding in polyurethanic foams on elastic belts. Cushions with core in moulded soft Rofoam and quilted Dacron 2 fixed to the structure by zippers. Slipcovers removable by velcro joints. Upon request a complete additional slipcover can be supplied. How to calculate the price of covering in combination of fabric and leather: cushions 60 % - structure 40 % .
